

Agreement for managing properties in or eligible for inclusion in the National Register of Historic Places at Project No. 11282.

The Programmatic Agreement, upon approval by the Commission, the SHPO, and the Council, would satisfy the Commission's Section 106 responsibilities for all individual undertakings carried out in accordance with the agreement until the agreement expires or is terminated (36 CFR 800.13[e]).

Wisconsin Power and Light Company as prospective licensee for the project, is being asked to participate in the consultation and is being invited to sign as a concurring party to the Programmatic Agreement.

For purposes of commenting on the Programmatic Agreement we propose to restrict the service list for Project No. 11162 as follows:

George L. Vogt, State Historical Society of Wisconsin, 816 State Street, Madison, WI 53706

Advisory Council on Historic Preservation, Eastern Office of Project Review, The Old Post Office Building, Suite 809, 1100 Pennsylvania Avenue, NW, Washington, DC 20004

Norman E. Boys, Wisconsin Power and Light Company, P.O. Box 192, 222 West Washington Avenue, Madison, Wisconsin 53701-0192

Any person on the official service list for the above-captioned proceedings may request inclusion on the restricted service list, or may request that a restricted service list not be established, by filing a motion to that effect within 15 days of this notice date. An original and 8 copies of any such motion must be filed with the Secretary of the Commission (888 First Street, N.E., Washington, D.C. 20426) and must be served on each person whose name appears on the official service list. If no such motions are filed, the restricted service list will be effective at the end of the 15-day period. Otherwise, a further notice will be issued ruling on the motion.

David P. Boergers,

Secretary.

Federal Energy Regulatory Commission

[Project No. 11577-001]

Summit Hydropower, Inc.; Notice of Surrender of Preliminary Permit

September 8, 1998.

Take notice that Summit Hydropower, Inc., permittee for the proposed Windsor Locks Hyrdro Project, has requested that its preliminary permit be terminated. The permit was issued on August 20, 1996, and would have expired on July 31, 1999. The project would have been located on the Connecticut River, near Suffield, Enfield, and Windsor Locks, Connecticut. The permittee states that the proposed project is not economically feasible.

The permittee filed the request on August 7, 1998, and the preliminary permit for Project No. 11577 shall remain in effect through the thirtieth day after issuance of this notice unless that day is Saturday, Sunday, or holiday as described in 18 CFR 385.2007, in which case the permit shall remain in effect through the first business day following that day. New applications involving this project site, to the extent provided under 18 CFR Part 4, may be filed on the next business day.
